Project	Project Description	Pre-Bid Meeting	Bid Opening & Other Information	Estimated Construction Cost
NEW MOROVIS WASTEWATER TREATMENT PLANT, MOROVIS, PUERTO RICO CIP NUMBER: 2-52-5001 BID NUMBER: 09-SP-009	Construction of a new 1.7 million gallons per day (MGD) Wastewater Treatment Plant (WWTP) to replace the existing facility. The new WWTP will provide advanced treatment by means of a Sequencing Batch Reactor (SBR) system and tertiary filtration. Unit operations that will be built as part of this project include: headworks, biological process, advanced treatment, disinfection, solids handling, office buildings, improvements to electrical components, among others. The project will be performed in accordance to the Construction Drawings and specifications prepared by PRASA. The project will benefit approximately 19,100 residents of Morovis and will provide additional treatment capacity for proposed and future developments. This new facility has significant environmental benefits including the decrease on methane emissions and the protection of the Morovis River water quality. The execution of this project will create more than one hundred (100) jobs, stimulating the economy and improving the quality of life of the residents of Morovis.	PRE BID MEETING Meeting will be held at the Anfiteatro Casa Alcaldía, Morovis, PR on April 6, 2009 at 2:00 P.M. CONTACT: For additional information regarding the meeting place, please contact Eng. César Lugo at telephone (787) 765-1919.	BID OPENING May 7, 2009 and documents will be received until 2:00 P.M. Bidding Documents will be available from March 31, 2009 for the amount of \$20 in digital copy (pdf) and must be obtained not later than 7 calendar days prior to bid opening.	\$9,950,000 Funded by the Clean Water State Revolving Fund (Puerto Rico Environmental Quality Board) through the American Recovery and Reinvestment Act of 2009
IMPROVEMENTS TO UTUADO URBANA WATER TREATMENT PLANT, UTUADO, PUERTO RICO CIP NUMBER: 2-06-7002 BID NUMBER: 09-SP-010	Improvements to the Utuado Urbana Water Treatment Plant to increase its production capability from 2.0 to 3.0 million gallons per day (MGD). Works include modifications to the existing water treatment processes such as pre-treatment, flocculation, sedimentation, filtration, chemical feed systems, among others. The project will be performed in accordance to the Construction Drawings and specifications prepared by PRASA. The project will improve the water quality and service of 22,000 residents of the Municipality of Utuado that have been patiently awaiting for the construction of this project. The local economy will be stimulated by this project with the creation of new jobs.	PRE BID MEETING Meeting will be held at the Oficina de Arte, Cultura y Turismo, located in Doctor Cueti Street, Utuado, PR on April 7, 2009 at 10:00 A.M. CONTACT: For additional information regarding the meeting place, please contact Eng. Melissa Pórnafes at telephone (787) 765-1919 Ext 220.	BID OPENING May 6, 2009 and documents will be received until 2:00 P.M. Bidding Documents will be available from March 31, 2009 for the amount of \$20 in digital copy (pdf), and must be obtained not later than 7 calendar days prior to bid opening.	\$1,401,300 Funded by the Drinking Water State Revolving Fund (Puerto Rico Department of Health) through the American Recovery and Reinvestment Act of 2009
SANITARY SEWER SYSTEM FOR LA PRIETA COMMUNITY, COMERIO, PUERTO RICO CIP NUMBER: 3-23-5000 BID NUMBER: 09-SP-011	Construction of a sanitary sewer system consisting of an 8-inch gravity sewer line and a 4-inch force line that will become part of the Comerio WWTP collection system. The project also includes two pumping stations, service connections, electrical installations, emergency generators, among other activities. All in accordance with the Construction Drawings and Specifications prepared by PRASA. The project will provide sanitary sewer infrastructure to 600 residents of the La Prieta Community. The project has significant and important environmental benefits that will improve the quality of life and protect the natural resources of the La Prieta Community. More than one hundred (100) jobs will be created during the construction of this project.	PRE BID MEETING Meeting will be held at the Casa de La Cultura Caciques Comerio, Georgeth Street, Comerio, PR on April 6, 2009 at 10:00AM CONTACT: For additional information regarding meeting place, contact Mrs. Carol Ruiz at telephone (787) 465-9268	BID OPENING May 5, 2009 and documents will be received until 2:00 P.M. Bidding Documents will be available from March 31, 2009 for the amount of \$20 in digital copy (pdf), and must be obtained not later than 7 calendar days prior to bid opening.	\$4,616,100 Funded by PRASA and Rural Development through the American Recovery and Reinvestment Act of 2009
